

Jacobs School of Engineering Awards Professor Lubarda “Best Teacher” Award

Dean Frieder Seible presented Professor Vlado Lubarda “Teacher of the Year Award” in Mechanical and Aerospace Engineering Department for 2006/2007. Professor Lubarda was selected by popular vote by students completing surveys.

Vlado Lubarda received his mechanical engineering degree from the University of Montenegro in 1975, and his PhD from Stanford University in 1980. He has been a Docent and Associate Professor at the University of Montenegro from 1980-1989, and a Fulbright Fellow and Visiting Associate Professor at Brown University from 1989-1991, and the Arizona State University from 1992-1997. He is Adjunct Professor of Applied Mechanics in the Department of Mechanical and Aerospace Engineering at the University of California, San Diego since 1998.
